

Laguna Hills Summer Camp: "CHEMISTRY LAB"

Date: Aug 8th – Aug 11th

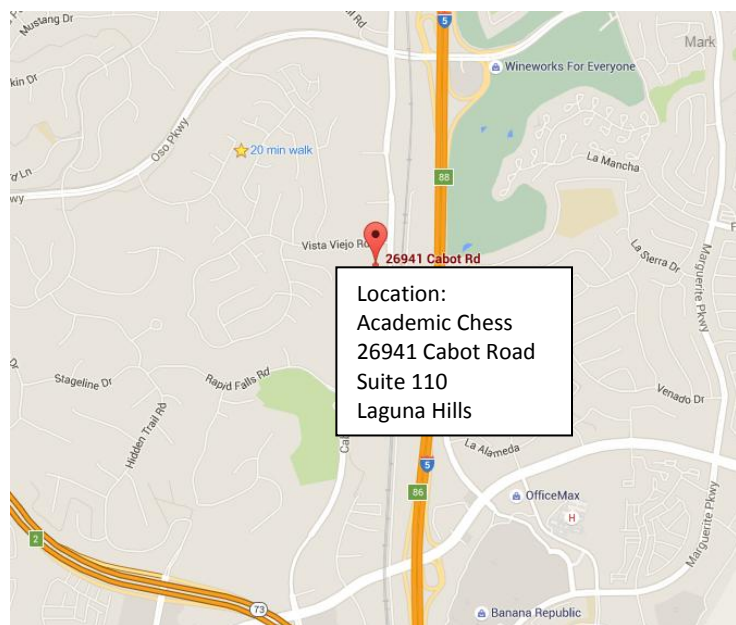

Time: 1:00pm – 4:00pm

CHEMISTRY LAB: The Mad Scientist is whipping up some spectacular solutions, and our campers get to see what's bubbling in the lab! Scientists will experiment with some crazy chemistry, learn about exothermic reactions, and create crystals. They'll also have a cool time with dry ice, make an oozing batch of gooey slime, and see what other results their concoctions will bring about. Cost is \$130.

Option to enroll in Chess Camp (9am – 1pm) see registration steps below (combo Chess and Mad Science camps is \$240 - a savings of \$20)
